# New York Broadway Show

## "Priscilla Queen of the Desert"

A spectacular new musical based on the hit film, *Priscilla Queen of the Desert* tells the story of Tick, Bernadette and Adam, a glamorous Sydney-based performing trio that agree to take their show to the middle of the Australian outback. They hop aboard a battered old bus (*nicknamed Priscilla*) searching for love and friendship and end up finding more than they ever could have dreamed. This show is filled with dancing, outrageously bright costumes, toe-tapping songs that we all know and love (*It's Raining Men, Shake Your Groove Thing, Hot Stuff, & I Will Survive* –just to name a few).
